

We Appreciate Your Pledge

Thank you for your generous pledge to KUUC. Without you we wouldn't be such a vibrant church community. For your convenience we've provided KUUC's Pledging Guidelines. These aspirational guidelines are designed to allow everyone, regardless of income level, to feel good about what they give to KUUC. There are three levels of giving suggested. These guidelines do not represent an expectation of giving, rather they suggest targets to move toward. It is understood that circumstances sometimes change. If, during the year, you need to adjust your pledge, please let us know for planning purposes.
